Launched in 2015, the CORROSION Daily News Update is an e-newsletter that is sent to all 6,000+ CORROSION attendees and 400+ exhibitors each day of the conference. This five-part digital series informs recipients of technical and social event highlights, re-caps feature events from the previous day, incorporates social media highlights, and provides useful daily tips for navigating the show.

Features include:

- Technical Program
- Social/Networking Events
- ‘Spotlight on New Technology’
- Event Recaps
- Social Media Highlights
- Event Photo Gallery

Digital Rates:

MPU: \$1,800 USD
 Banner: \$1,800 USD

*Limit of one banner sponsor each, which is featured on the e-newsletter for 5 days of the conference.

Integrated Mobile App Sponsor

There are plenty sponsorship opportunities in the palm of your hand with CORROSION's mobile app.

Key Features:

- Rotating banner featured on CORROSION's top dashboard, which will take users to a full landing page of your choice
- Recognition within the sponsor icon that links attendees to your page listing
- Sponsor recognition on interactive map that includes pins. Sponsored pins can act as a link to get basic information about your company
- Two custom push notifications on the conference day of your choice (exclusions apply)
